On the first day of the week, Mary of Magdala came to the tomb early in the morning, while it was still dark, and saw the stone removed from the tomb.

JOHN 20:1

Bit by Bit

FR. JOSEPH JUKNIALIS

Looking for proof of the resurrection is like looking for proof of love. Sometimes, we realize only gradually—bit by bit—that we are loved. John's Gospel abounds with images of light and darkness. So when this Sunday's Easter Gospel recounts Mary of Magdala going to the tomb early in the morning while it was still dark, the gospel is not simply marking the time of day. It's noting that what was taking place was before they believed in the resurrection, when they were still in the dark. All sorts of hints about the resurrection begin to occur: Mary sees the stone rolled away, Peter and the other disciple go to the tomb and find the burial cloths. They see the cloth that had covered his head rolled up and set aside. No apparition of Jesus, no men in white garments, no angels. Only hints that with the resurrection of Jesus,

God has made all life new and destined for resurrection.

What, then, might one do who is plagued by doubts? Look for hints of resurrection, of life coming about where one expects only death (as if to symbolically enter the tomb). What types of hints? Going for counseling, as frightening as that may be, and finding peace. Talking through a problem in marriage. Finding that empty-nesting gives way to new life. Discovering retirement's gifts. Making a dreaded move to a new city or school. The resurrection of Jesus means God makes all life new. We only need to see it and discover that, bit by bit, it leads to faith. ●

Reflect

What are the hints of resurrection surrounding me? Have I missed any?

PRO-LIFE NEWS

The 2024 euthanasia reports from the Netherlands and Belgium were recently released. Both countries reported significant increases in euthanasia deaths. Both reports confirm that, once legal, euthanasia will continually increase. The Netherlands report indicated a 60% increase in euthanasia for psychiatric reasons alone. This is a warning to Canada which is currently scheduled to allow euthanasia for psychiatric reasons alone in March 2027.

The current federal election is one of the most important in Canada's history. Euthanasia for mental illness alone, euthanasia for children, and euthanasia by advance request are at stake.

You may have read the small book "*The Warning*"; this documentary fleshes out the stories and you see those involved in person. It is a warning to us all that we, too, may experience seeing our whole life, good and bad, reviewed before our very eyes. Are we living as we should?

This showing has been arranged by Cathleen Devraj of Holy Cross Parish. The date is Saturday, May 3 at 10:00 am at Landmark Cinemas 8 near Costco on East Victoria. **The deadline to order tickets is Monday, April 28.**

For more information and to order tickets go to <https://fan-force.com/screenings/the-great-warning-landmark-cinemas-8-regina/>

In a world where the inexplicable becomes reality, this documentary immerses us in the impactful experiences of people from different countries, unknown to each other but united by a common destiny. Through dramatic and gripping accounts, these individuals reveal that they have lived through supernatural encounters linked to ancient prophecies and biblical passages. Their testimonies, filled with mystery and wonder, converge in an alarming revelation: an event of unimaginable proportions is about to occur and will change the course of humanity forever. This documentary film invites us to question our perception of reality and warns us of an imminent future we cannot ignore.

Easter Sunday of the Resurrection of the Lord

"...He went about doing good and healing all those oppressed by the devil, for God was with him." (Acts 10:38)

We can't give what we don't have. Open your heart to receive God's love, mercy and forgiveness. Then, show the same to others. As God's adopted sons and daughters, we are made in His image and likeness. As Pope Benedict XVI says, "We are made for greatness." Let our lives reflect His light to others. Pray to live a grateful and generous life. Strive for greatness! We are made for more! We are made for God!

Updates to Hospital Chaplains

As of April 8, 2025, the Saskatchewan Health Authority is now asking patients at Admission if they would like a Spiritual Care Visit during their hospital stay in the General or Pasqua Hospital. They will collect the patient's faith information and notify the chaplains that you are in the hospital. This information is not stored at the hospital upon discharge, so you will need to provide the information for additional hospitalizations.

If you end up in the hospital by the emergency room, you are not going to be asked this question. If you would like to have a visit, you or a family member can use the contact information below to speak with a hospital chaplain. If you would like a visit from your parish priest, you will need to notify the chaplain or the parish to let them know that you are in the hospital.
