September 12, 2019

Dear Father and Parish Leaders,

On behalf of the Archdiocese of Regina, the Office of Youth Ministry would like to express our formal support for the Young Adult Catholic Ministry initiative that has formed in recent months. It is their hope that eventually each parish would have a young adult representative to be their voice at this table. Our hope is that through collaboration with multiple parishes, we would see young adults in our Archdiocese engage more fully with their faith and their respective parish and faith communities. We do believe that this grass roots group offer an excellent starting point for Young Adult Ministry in our Archdiocese, and can serve as a launching pad for any parishes who wish to pursue Young Adult Ministry in a more in-depth and concrete way. The Office of Youth Ministry will continue to support and mentor this initiative, as it grows and unfolds.

In His service and yours,

Michelle Braden
Youth Ministry Coordinator
Archdiocese of Regina
